Michael Cozort, Assistant Superintendent  
Shaker Regional School District  
School Street  
Belmont, NH 03220

Dear Michael:

Thanks so much for your call this morning. I'm delighted that there's so much interest in exploring options for the future of Gale School. It's among the most architecturally distinguished schools in the state and deserves full consideration.

Enclosed is the Determination of Eligibility (DOE) for the school. I wanted to add that there are alternative treatments allowed for meeting fire, life safety, energy, and ADA code requirements for eligible properties. These can be helpful in making redevelopment more feasible.

The Division of Historical Resources (DHR) is anxious to assist in any way we can! Feel free to contact me at 271-6437.

Sincerely,

*Christine*
